# FOOTBALL

**EXPLORE THE  
FUTURE OF FOOD!!!**

Foodball is basically food inside a ball. The sizes are ranging from the size of your palm to a football. It comes in various flavors like light vegetable noodles or an entire non-veg course.

It is portable and can be eaten in one go.  
All the food products are certified by "FSSAI" and follow a diabetic diet.

It is economically feasible and technologically accessible  
with our online pantry.

The customer has the option to order dishes or use a variety of ingredients from our online pantry to make a custom dish for themselves.
